Prez's Notes

It's a new year and barring that miserable snow storm we got last week I hope everyone's Holiday Season was enjoyable and that good health, prosperity, and good fortune come our way. The cards, e-mails and phone calls of good wishes and thoughts were very much appreciated and I thank all of you who sent them my way. I am looking forward for the Club to prosper and I am sure that we will with a busy season and lots of fun things to do...

There are plans in the works for some good times for sure. If a Regional 7 is to happen, I need input and support ASAP. If we are to prosper and grow, involvement is necessary. Please do not hesitate to contact me any time.....Thanks .

All things being equal we had a very mild December in the weather department. We all know for sure that New England weather can change quick and we did have a mixed bag but not in the snow area. We got through it OK and have turned the corner into a new year and hopefully a good one for all.

Please watch your e-mails for any information and planned events. A dinner night is being planned for Wright's in RI and details are in this letter

If you can figure out that this sentence doesn't read quite right its because a letter is missing. The missing letter is "U" and yes we need "U" at as many events as possible..... Happy New Year!

Think SPRING!.....Enjoy and have a GR 8 Day!

filled with laughter , gift exchanges, and just a good night with good friends. Thanks to all who attended.

UPCOMING EVENTS

January 1 New Years Day

January 21-22 Big "E" Swap Meet Springfield

January 16 Martin Luther King Day

February 5 Super Bowl XLV1 Indianapolis IN

In the coming New Year on Feb. 2, 2012, both **Groundhog Day** and the **State of the Union address** will occur on the same day. One involves a meaningless ritual in which we look to an insignificant creature of little intelligence for prognostication.

The other involves a groundhog.

Funny Car Stuff

Stolen Car

Murphy's wife borrowed his car and parked in the supermarket car park. Just as she came out laden with shopping, she saw a young lad break into the car, hot wire it and drive off. Naturally she reported the matter to the police.' What did he look like? the sergeant asked.I don't know,but I got the license plate'.

Say Again ?

A traffic cop pulled alongside a speeding car on the highway. Glancing into the car, he was astounded to see that the young lady driving was knitting.

Realizing that she noticed his flashing lights and siren, the officer put down his window, turned on his loudspeaker and yelled, 'PULL OVER!' 'NO', the young lady yelled back, 'IT's A SCARF!'

Young vs Old Drivers - No Contest

Elsie, an elderly lady, stopped to drive into a parking space when a young man in his brand new red BMW drove around her and parked in the space that she had been waiting for. Elsie was so angry that she approached the young fellow and inquired, through gritted teeth, 'I was about to park there.'

The man looked at her with shrugged shoulders and a smile on his face and replied, 'That's what you can do when you're young and quick.'

This annoyed Elsie even more, so she got back in her car, backed it up and then she stomped on the accelerator and rammed straight into his BMW.

The young man ran back to his car and shouted in a stunned voice, 'What did you do that for?'

Elsie smiled at him and said, 'That's what you can do when you're old and rich.'

A closing thought:

May all your troubles and problems last about as long as your New Years Resolutions.

Till Next Time !
